Teacher Proposal for Regional Basket Day

The Guild will be sponsoring a **Regional Basket Day** in **West Richland** on **Saturday, September 11th**. This event provides an opportunity for the Guild to offer learning and knowledge to both our members in outlying areas and the general public. Classes are sponsored by the Guild, with students paying a small participation fee and the materials fee.

Teaching fee is $30/hr. Travel reimbursement will be based on the distance you live from West Richland (up to 100 miles = $15, 100-200 miles = $30, 200+ miles = $45). We hope to be able to provide overnight accommodations for our teachers, as needed. We are now accepting class proposals for all skill levels. You do not have to be a member of the Guild to propose a class. Classes can be either half day (up to 3 hours) or full day (up to 6 hours). You can "team teach" a class with teaching fee being $45/hr to be split by both teachers. If you would like to offer a class on a "drop-in" basis, please indicate that on your proposal. When estimating your time for your class, please be sure to allow sufficient time for the project to be completed in the time frame you have given by a beginning to average weaver. Classes will require a minimum of 5 students to "go", and we will try to limit class size to 8, adjusting upward as needed based on overall registrations. If you would be willing to volunteer to demonstrate at this event, you may return the class proposal form below, or contact me directly.

The deadline for Class Proposals is: JUNE 10, 2010

Use the form below, or make a copy to submit class proposals. Include a sharp photo of your basket item. A photo as close as your camera will take with a **WHITE** background works best for our illustrations. Please return proposal FORM and PHOTO of basket item by email or regular mail. **Your proposal will not be considered without a photo.**
