\_\_\_\_\_ I wish to be added to the Guild e-news list.

This will ensure that you will receive announcements of events and activities and the digital versions of our newsletter and annual Handbook & Directory.

**To complete your enrollment, please respond to an e-mail request you will receive asking you to verify your wish to enroll in the messaging service.**

\_\_\_\_\_ I am unable to join the e-news list therefore I am requesting a printed copy of the newsletters and the annual Handbook & Directory.

How did you learn about the Guild \_\_\_\_\_

We would love to know more about you. Send a profile or a few paragraphs about your interest and involvement in basketry, perhaps how you got started. Include any skills you can offer, or committee activities you would like to volunteer for. Volunteering is a great way to get to know people and get the most out of your membership.
