Fellow Basket Weavers and Demonstrators!

Fair season is approaching and there's still time to get your baskets ready. The Fair Committee has gathered critical information and dates to help you navigate your basket entries for either the Evergreen State Fair in Monroe or the Washington State Fair in Puyallup. Also included are links to the fairs' websites and to their on-line entry forms.

Evergreen State Fair (Monroe, 8/25-9/5):

Washington State Fair (Puyallup, 9/2-9/25):

Maybe putting your basket on display at the fair is not your thing. How about demonstrating instead? The fairs love to have people demonstrating their crafts and the fairs goers love to watch and ask questions. Remember to take along some Guild bookmarks and information about any classes you teach. Demonstrating comes with perks too, like free fair admission and free parking.

For our members who do not live in the Seattle area we encourage you to seek out your local fairs. They are also looking for participants with basket entries or to demonstrate. It's a great way to spread the word about baskets and to meet other basket makers in your area.

Everyone have a great summer, and good luck at the fair.

Sincerely,
The Fair Committee
